Harsh

New Delhi, Delhi | +918287868558 | lambaharsh01@gmail.com | lambaharsh01.in

Full-stack developer based in Delhi with a passion for backend work, complex SQL queries, and building scalable systems using Go (Gin) and Node.js. I love leveraging web development to connect ideas and create scalable solutions.

Experience

Manthan IT Solutions Pvt. Ltd. | Jangpura, New Delhi
Go/ Gin Developer | 06/2023 to Present
- Migrated application to a higher concurrency environment to facilitate a larger user base.
- Helped implement Jenkins for the creation of CI/CD pipelines, reducing deployment time and manpower required for manual deployment.
- Contributions to scalable workflows, promoting a modular and reusable code structure to enhance efficiency and improve the management of change requests.

Node.js Developer 02/2023 to Present
- Integrated third-party APIs for seamless system operation.
- Improved overall API response times, reducing database query calls by 30%.
- Designed and implemented a data analytics module to visually represent business data, including complex aggregated logic for up to half a million rows in a single query, optimizing response times for sales and legal teams.

Education

Indira Gandhi National Open University
Masters in Computer Applications | 06/2023–Present
Expected Graduation: 06/2025

University Of Delhi
Bachelors In Geography - Geo-informatics| 06/2019–06/2022
CGPA: 8.2/10

Kendriya Vidyalaya | New Delhi, Delhi
12th, Central Board of Secondary Education | 06/2019
Percentage: 92

Skills

Go (Gin), **Node.js**, Express.js, **React.js**, Next.js, **TypeScript**, **JavaScript**, **PL/SQL**, OracleDB, **MySQL**, GORM, MongoDB, SQLite, **Docker**, **Jenkins**, HTML, CSS, Bootstrap, and Tailwind CSS. Skilled in backend development, frontend development, **performance optimization**, and debugging

Certificates

Certificate in MERN Stack Development (VSIT) | 07/2022-01/2023
Comprehensive training in full-stack web development, including RESTful APIs, TDD, performance optimization, UI/UX design, and hands-on experience building dynamic, responsive web applications.
